Notes on the Quiksilver-Rossignol Group (Dynastar, Look, Movement, Rossignol and Roxy) Indemnification program: (1) Needs to be renewed each year. (2) A letter describing the renewal process is sent to each dealer who has a pending binding order or has ordered bindings within the last three years. (3) The Agreement is not effective until executed by the dealer and accepted by the Quiksilver-Rossignol Group.

The Vist list does not include the complete name of every bindings model as, in some models, the name also includes the colour. For example: V614C is the basic name of the binding model regardless of colour. The correct name / code would be V614CWFREE for a White basic colour (W) where you are free (FREE) to put (click on) a toe cover in any colour you want.
