

DRESS CODE POLICY STEVENS POINT AREA YMCA

As a cause driven organization strengthening the community by serving youth, teens, adults, and families, the image of the YMCA and our staff is important to our success. While recognizing the individuality of staff dress and appearance, all employees are expected to maintain a professional appearance when working at the Y. Proper dress allows staff to be instantly identifiable and to show high standards of professionalism in all areas of our facility. An employee's position and their department's activity dictate the type of clothing or uniform that is worn. The overall goal is to develop consistent attire so that all staff can be easily identified by members, participants, and co-workers.
