

MEMBER UPDATE: 4.6.20

As the days turn into weeks, at the Y we find ourselves reflecting on what we miss and yearning for the time that we can re-open our doors and see you again! One day, this time will be nothing but a story we tell our friends and family; I hope that you are able to make the most of it, and can make those stories good ones!

CONTINUING OUR MISSION

At the Y, we are continuing to make you and our community proud by providing vital community services, all while following the recommendations of the Center for Disease Control and other government entities to keep everyone safe and healthy. We hope what we're doing to keep you, our members, and our community engaged will offer some much-needed positivity during these tough times. **#heretohelp**

Youth Development

- We are proud to be one of the few area organizations continuing to provide quality, licensed child care for all essential workers who are supporting the needs of our community.
- We are also offering emergency child care to health care workers and first responders who need it.
- We have significantly increased our cleaning and disinfecting practices to keep our facility, staff and children as safe as possible.

Healthy Living

- We have been conducting daily challenges and workouts through social media to keep you and our members engaged and active. Tune-in to our Facebook page for daily workouts with Amy Fox or log on to our website, www.spymca.org, for online workout options for you and your family.
- We encourage you to check out our YMCA Camp Glacier Hollow

Facebook for fun ways you and your family can be active outdoors!

Social Responsibility

- We continue to provide financial assistance to families in need with the cost of child care for essential workers.
- We will be hosting a Community Blood Drive on Friday, April 24 from 8:30 AM to 1:00 PM in the YMCA parking lot, partnering with The Community Blood Center mobile unit. Blood is in very short supply so if you are healthy and willing to make a donation, please go to [save3lives.org](https://www.save3lives.org) or 800-280-4102 to sign up.

WHO CAN I SPEAK TO ABOUT MY MEMBERSHIP?

There is no financial difference between putting your membership on hold or canceling it, but putting it on hold lets us know that you're ready to return as soon as possible. If put on hold, as soon as we can reopen our Y again, your account will automatically be reactivated. We are asking you to **#staywithus** and continue your membership so that we can provide vital community services, such as child care for essential workers and community blood drives. We have fixed costs to maintain our facility and its mechanical's so that when we are ready to reopen, we can!

If you choose to **#staywithus** during this time and not place your membership on hold, your monthly draft will be considered a charitable donation that goes to work right here in our community helping everyone through these difficult and uncertain times. You will receive an official tax receipt for your thoughtfulness. Please contact Member Services with any additional questions by emailing acook@spymca.org.

ANY CHANGES TO YOUR MEMBERSHIP DRAFT
