WELCOME BACK TO THE STEVENS POINT AREA YMCA

With the health and safety of our members and staff in mind, we are working hard and preparing with incredible excitement to reopen our YMCA under a new normal.

As we make these plans to see all of you again, we want to thank you, our members and donors, who chose to **#StayWithUs** during this unprecedented time in our history. Your support for the Y and our work in the community has been simply amazing! Thank you.

When I look back on this experience, it is with a sense of pride for the way the Y and staff quickly responded to the critical needs in the community. It's also with deep gratitude for those who stood with us as we provided essential child care services, blood drives and connections to our members and the community in unique and important ways.

Sometimes you have stop and smell the roses, or dandelions!

YMCA PHASE 1 REOPENING

Wednesday, May 27: As a special thank you to current members who chose to #StayWithUs, we will be open* Wednesday-Friday 5AM-7PM, Saturday 8AM-Noon.

Monday, June 1: Open* Monday-Friday 5AM-7PM, Saturdays 8AM-Noon, for current and on-hold members (drafts will automatically restart on June 1 and 15).

Monday, June 1: Open* Monday-Friday 5AM-7PM, Saturdays 8AM-Noon, for cancelled members who renew using our one-click membership sign up (watch for your individual email to be sent at noon on May 30th. Initially, we will be waiving the joiner fee).

*Please Note: Not all areas of the facility will be open and not all programs will be running. [CLICK HERE](#) for more information.

We will reopen in phases in order to keep our members and staff safe while adhering to guidelines and recommendations from the CDC, Portage County Health Department, and the Wisconsin Economic Development Corporation. There will be restrictions and limited programming, but licensed child care will be available as well as Summer Day Camps for school age children. Things will be different, so we need your help and cooperation to make health and safety for everyone a top priority.

We are working on finalizing the plans for the phased reopening and we will be sharing those in the future. We will continue to review guidelines regularly and communicate changes through email, our website and social media.

We cannot wait to see you in our facility again, and we know you can't wait either!

Stay well and see you soon,
Sharon Johnson
CEO
