#HERETOHELP

Our Y continues to meet a vital community need by providing child care for essential workers for children infant through age 12. Financial assistance is available for those who need it. Reach out to [Kara Breitbach](#) at 715 952 9339 for more information or to reserve your spot.

School age children are encouraged to bring their Chromebook.

Message from one of our child care families: "We just wanted to thank you and your childcare staff for remaining open during this covid-19 pandemic. Both my husband and I are deemed "essential" and don't know how we could do either of our jobs if we didn't have childcare available.... Again, thank you all so much for all you do for us, our girls, and our community. We really appreciate it!"

Pop Up Blood Drive this Friday, May 8, 9:00AM-1:30PM. Stevens Point Area YMCA Parking Lot. To schedule your life-saving donation at the Stevens Point Area YMCA, please visit
