

## MEMBER UPDATE: 6.08.20

We are so happy to have been able to welcome our members back over the last week. We've missed you and we've loved seeing everyone return - listening to you share what has been happening in your lives, and hearing all about how you continued to support each other even while our doors were closed. Our Stevens Point Area YMCA community is simply the best!

### WHAT'S NEW

Since our last Member Update on May 19, we have expanded access to allow youth age 13-15 to use the facility, provided they are accompanied by an adult who is on the same membership. For additional requirements regarding this age group, please [CLICK HERE](#) or contact our Member Services Desk at 715 952 9363.

### CLEANING

Our staff has been working hard to follow our newly enhanced cleaning protocols to make sure that every area in our Y is as sanitary as possible. We appreciate your continued support and partnership as we endeavor to keep the Y a place that everyone can safely enjoy.

the

## KEEPING THE Y A HEALTHY PLACE FOR EVERYONE

**WASH YOUR HANDS** Upon Entering And **FREQUENTLY** While Using This Facility

**WIPE DOWN** Equipment BEFORE AND AFTER Use

Practice **SOCIAL DISTANCING**

**PPE** (Personal Protection Equipment) Should Be Used At Your Discretion

**Members 16 & Older ONLY\***

\*Ages 13-15 are welcome with an Adult on the same membership.

No Day/Guest Passes or AWAY Members

No Towel or Coffee Service

No Drop-In Care Available

Not All Areas Are Open

Limited Capacity In Areas

### WELLNESS CENTER

If you decide to come to the Wellness Center, be sure to say hi to Brian. He's just one member of our amazing team and he'll be happy to help you in any way that he can. We've marked our equipment to allow for the appropriate distance between members and have set the

capacity limit at 30 in the space. Please be sure to sign in at the Wellness Center desk when you arrive.

### SWIMMING POOL

With the warmer weather finally here our water feels better than ever! We have six lap lanes ready for you to come in and burn calories and cool off. We ask that you limit one person per lane (or two people

per household). Fun fact: did you know that swimming 33 laps equals a mile? How many miles from the Y do you live? Challenge yourself to swim to the Y by the end of the summer!

### GROUP FITNESS

Speaking of exercise, have you tried one of our outdoor boot camp classes? What could be better than playing outside after work? Check out the Group Exercise schedule on our [website!](#)

**Do you prefer to exercise indoors?** We've adapted Adventure Alley to allow members access to additional limited group exercise classes indoors. Fourteen members are allowed in each of these classes; we're saving you a spot!

### MEMBERSHIP

Now that the facility has reopened, all of the memberships that were previously placed on-hold during the time we were closed have been reactivated and have resumed drafting following their standard

draft schedule. The next scheduled draft is on June 15. If you have any questions or concerns regarding your membership, please don't hesitate to reach out to our Member Services Director, [Andria Cook](#).

Thank you for staying with us during this time. Thank you for looking out for each other and for taking the time to check in with our staff. The Y is so much more than fitness classes and lap lanes; we are a Cause. You are our Community, and we're so glad to see you back!

Sincerely,  
**Sharon Johnson**
