September 10, 2020

Dear Parents and Participants of YMCA Fall Youth Soccer Skills Clinics,

Welcome! I am looking forward to a great first session since our closure in March. At a time when things are so uncertain, this is a great way to get out, get active and reconnect with others. I am so excited you are joining us!

In the YMCA youth soccer skills clinics, the participants will be learning the fundamentals of soccer in a positive and fun environment. The Y is the starting point for many learning new sports and becoming and staying active, as well as, gaining confidence, building positive relationships, good sportsmanship, teamwork, and leadership skills that will improve your child's self-esteem. It is truly amazing to see a child learn new skills and make new friends along the way.

The soccer clinics run from Saturday, September 19 to Saturday, October 17, 2020. Please pay close attention to the website this year as class times are subject to change based on registrations per each grade level. I will individually contact participants with these changes. The clinics will run as follows: participants will work with YMCA coaches to introduce and learn the necessary skills and fundamentals of soccer along with group games or challenges.

Each grade should come to the soccer fields no more than 10 minutes prior to their scheduled clinic start time. I want to say THANK YOU to all of the participants and parents that signed their child up this session!

Kindest Regards,

Theresa Christianson
Youth Sports Coordinator

COVID INFORMATION

While the risk of Coronavirus/Covid-19 in Wisconsin and Portage County area has grown, the Stevens Point Area YMCA is committed to the health and safety of our staff, members, parents and spectators.

We are asking that you adhere to the following guidelines for Youth Sports Fall programming.

- **SYMPTOMS:** Please monitor your children/family for symptoms of COVID-19. Your child should stay home if, any symptoms are observed by the participating child or anyone within the same household as the participant.
- **MASKS:** Staff and participants, 5 years and older, are required to wear masks indoors or outdoors if 6 foot distance cannot be maintained. Exemptions include but not limited to; individuals who have difficulty breathing, medical conditions that prevent wearing a face covering, sensory sensitivities, developmental disabilities or when eating or drinking.

**To review a list of FAQ's issued from the State of Wisconsin, click [HERE](#).

- **ARRIVAL/DEPARTURE:** Please do not arrive more than 10 min prior to your scheduled clinic time as to reduce the numbers of participants on the fields and in the parking lot. Participants should go directly to their scheduled field to check in and sanitize their hands. The YMCA coach will instruct them from there. Upon departure, participants can be met, by an adult, on the field or walk to their respective vehicles for pick up. Please pick up your child promptly at the end of their scheduled clinic. It is recommended that minimally Pre-K, K-1 participants be met on the field by an adult.
- **EQUIPMENT:** Participants must bring their own labeled and filled water bottle, snacks and personal equipment. The YMCA will provide soccer balls if needed. Soccer cleats and shin guards are highly recommended. Please refrain from sharing water bottles, equipment or snacks.
- **CLEANING PROCEDURES:** Enhanced cleaning and disinfecting procedures are in place for shared equipment after every clinic. YMCA soccer balls will be available to participants as needed. Participants will place "used" soccer balls in the "used" bin at the end of each clinic. Hand sanitizing stations will be available for participants at each field.
- **SPECTATORS:** Spectator areas are limited and not encouraged for clinics; recommended one adult per child. While at the field, please observe social distancing of 6 feet or more from those not in the same household and accept personal responsibility for public health guidelines.
