A Child's Plea – original author unknown

Today I did my math and science.
I toasted breads, I halved and quartered, counted, and used my eyes, ears, and hands.
I added and subtracted on the way.
I used my magnets, blocks and memory tray.
I learned about a rainbow and how to weigh.
So please don't say-
'ANYTHING IN YOUR BAG TODAY?'

You see. I'm, sharing as I play, to learn to listen and speak clearly when I talk, to wait my turn and when inside to walk.
To put my words into a phrase, to find my name and write it down.
To do it with a smile and not a frown,
To put my pasting brush away. So please don't say-
'WHAT NOTHING IN YOUR BAG TODAY?'

I learned about a snail and a worm.
Remembered how to take my turn.
Helped a friend when he was stuck.
Learned that water runs off a duck.
Looked up words from left to right.
Agreed to differ, not to fight.
So please don't say-
'DID YOU ONLY PLAY TODAY?'

Yes, I played the whole day through.
I played to learn the things I do.
I speak a problem, find a clue
And work out for myself just what I do.
My teacher's set the scene, and stay near-by to help me when I really try.
They are there to pose the problems, and to help me think.
I hope they will keep me floating and never let me sink.
All of this is in my head and not in my bag. It makes me sad to hear you say-
'HAVEN'T YOU DONE ANYTHING TODAY?'

When you attend your meeting today and do your work I will remember not to say to you-
'WHAT NOTHING IN YOUR BAG? WHAT DID YOU DO TODAY?'

YMCA Staff have the capacity, creativity, and imagination to respond to the complex needs of families today. Through our YMCA childcare programs, we are acting on our commitment to build strong kids, strong families, and strong communities.

The Stevens Point Area YMCA is a non-profit, charitable organization that is dedicated to the development of the whole person: spirit, mind, and body. No child is denied membership or participation due to financial need.

PROGRAM GOALS

- To support and respect your family values.
- To act as an extension to your family with caring, positive role models.
- To provide a safe, encouraging environment in which children thrive.

Our facility is closed for the following:

New Year's Day	Friday after Thanksgiving (11/27)
March 22-26 (no charge)	Christmas Eve
Memorial Day	Christmas Day
Labor Day	New Year's Eve
Thanksgiving Day	New Year's Day 2021

*Due to these unprecedented times, we reserve the right to make additional closures. When the Child Care Center is closed, we will still charge the child's regular weekly rate.

PARENT INVOLVEMENT

We believe that in order to have a successful program, parent involvement is an important component. We encourage visits by parents during the course of each day. Parents may visit at any time without prior notice and are welcome to play and participate with their child in their child's environment. Prior to the first day of attendance families are encouraged to visit the classroom to become comfortable with the environment.

All families will receive a tour and orientation prior to your child's first day of attendance.

Parent teacher conferences are held twice a year. The classroom teacher will communicate the dates.

CURRICULUM

We follow the Creative Curriculum and Wisconsin Model Early Learning Standards to provide a developmentally appropriate learning environment.

COMMUNICATION

Parent communication is done through the Bright Wheel App, newsletters, emails, websites, parent boards, staff and information put out on the parent table.

Activities include warm staff and child interactions, challenging developmental materials, consistent daily routine, interesting and diverse activities, positive adult/child and child/child communication and stressing that each child is valued for individual achievements.

NUTRITION

We will be providing a nutritious breakfast and lunch. Under Wisconsin State Licensing requirements, children must have one portion each of fruit, vegetables, grain, protein and milk: or two fruits or two vegetables, one grain, protein and milk for the mid-day meal. A nutritious snack of 2 of the following four groups, milk, meat, fruit, vegetable or grain will be provided in the afternoon.

Children are welcome to bring a special treat for snack on their birthday or when they are

star of the week. All foods must be prepared in a state inspected kitchen (this means no homemade food). We also request that you do not bring in foods with nuts including peanuts and peanut butter.

For any special diets, including milk alternatives, a special needs form must be completed by parents and signed by a physician and updated yearly. Our center may only serve soy or lactose free milk as an alternative, which must be brought in by the family. The following do not work as milk alternatives:

- Flavored (ex: vanilla, chocolate, strawberry)
- Almond milk
- Rice milk
- Coconut milk

BREASTFEEDING

- Breastfeeding Mothers - A lactation room is provided for breastfeeding or to express milk in our down stairs women's locker room.
- Refrigerator - A refrigerator is available in each classroom for all milk. Parents must label (name and date) all containers.
- We will be aware of the child's pick up time and will work with the parents to give them the opportunity to feed the children at pick up.
- All staff are trained on how to handle milk properly.
- Breastfeeding information is displayed in the classrooms.

CHILD GUIDANCE

Our goal is to guide children in becoming happy, responsible and cooperative participants through positive teaching techniques as specified under DCF 251 Licensing Rules for Group Child Care Centers. In the event that behavior requires discipline, we show guidance through:

- Enhancing the child's self-image.
- Applying teachable moments.
- Guiding children to learn self-control, choose alternatives, identify feelings and develop an understanding and respect for others.
- Enlisting the cooperation of the child and parents to solve problems.
- Communicating regularly with families regarding behavior concerns.

Additional information can be found in the YMCA Child Care Policy Handbook that is available at the parent table.

HOLIDAY CELEBRATIONS

We recognize that each child belongs to a unique cultural background rich with family traditions. We would like to share each family's traditions and ask that you help us in planning celebrations that respect your heritage.

FIELD TRIPS

- Field trips will be taken to enhance the curriculum.

- Sign your child out each day.
- If a parent or other authorized person appears to be under the influence of alcohol or other drugs or exhibits behavior that gives staff reasonable concern for the safety of the child, staff will attempt to contact another authorized person listed in the child's file to come and pick up their child. If all attempts to contact another person have been exhausted, staff will contact the police and/or social services for assistance.

ABSENCES

- If your child will not be attending on a day they are scheduled, please send a BrightWheel message to your child's teacher or call the classroom phone. Also, please communicate to us if your child is not attending Child Care because they have been exposed to or have developed any communicable disease. As a Licensed Child Care Center, we are required to report all communicable diseases to the Portage County Health Department and to notify all families enrolled in our center.
- If your child is not in attendance for 1 week without notification, they will be terminated.

ILLNESS

- Parents must notify the Center or Child Development Office when a child is absent due to illness.
- The YMCA is not licensed to provide sick childcare. Please do not bring a child who is ill to the program.
- Each day upon arrival, each child will be observed for symptoms of illness. In cases of communicable disease such as pink eye, chicken pox, or strep throat a statement may be needed from a physician.
- If a child has no overt symptoms of illness, but displays significant behavior changes and is clearly uncomfortable and not able to participate in classroom activities, a parent will be called to pick up the child.
- If a child becomes ill at the center, a parent will be contacted to take him or her home. Until a parent arrives, the child will be isolated, within sight and hearing distance of an adult.
- If the parent cannot be reached, the staff will contact the emergency contact person listed on the child's enrollment form.
- Because we are not licensed to provide sick childcare, a parent or emergency contact must pick up the child within one hour after being contacted.
- To ensure proper staff/child ratio, children may not stay inside during outdoor playtime. If your child needs to stay inside for a few days for health reasons, please keep him or her home a little longer.
- Medication can only be administered when an "Authorization to Administer Medication" form is on file. All medicine (prescription and non-prescription) must be in its original container and must be labeled with the child's name, dosage, time, and the doctor's name and phone number. We do not administer the initial dosage of medicine. Medications for infants must include a measuring device.

If we cannot contact you, we will do one or both of the following:

A written Incident/Accident report will be filed at the center. Parents will be notified of the incident/accident upon end of day pick-up if not contacted earlier.

- Parents or authorized persons shall pick up children by 5:30PM. A late fee of \$1 per minute will be charged after this time, minimum charge \$5. Time will be determined by the clock in the room.
- Chronic late pick-ups will be grounds for termination.

If your child is not picked up by 6:00PM, the local authorities will be called.

SNOW EMERGENCY

The YMCA will make every effort to stay open to meet your needs. Our program will only close when the entire YMCA closes. In the event of closing, we will post it on our website.

EMERGENCY EVACUATIONS

In the event of an emergency where we need to evacuate the building, we will relocate in the basement of Boston Funeral Home. Staff will call families to pick up their children. The tornado shelter is located in the YMCA Adult Women's locker room in the basement.

CHILD ABUSE PREVENTION

The health and well-being of your child(ren) is essential to the YMCA. The YMCA has developed a policy on the prevention of child abuse that includes the following provisions:

- Parents are encouraged to visit program centers at any time and do not need to make an appointment to do so.
