PROGRAM OVERVIEW

This information is intended to answer questions about your child's school age before and after care program. Please read the information carefully. If you still have questions, please contact the Stevens Point Area YMCA Child Development Office at 715-342-2999.

Activities

School Age Program activities provide each child with age-appropriate experiences which:

- **Encourage self-esteem and develop positive self-image.** Activities include warm staff and child interactions, challenging developmental materials, consistent daily routine, interesting and diverse activities, positive adult/child and child/child communication, and stressing that each child is valued for individual achievements.
- **Encourage social interaction.** Program activities include creative play, group time, mealtime interaction, community programs, planned family activities, teacher and child initiated activities and music, song, and dramatic play.
- **Encourage self-expression and communication skills.** Activities for School Age Program participants include group activities, storytelling, board games, arts and crafts, and other teacher/child initiated activities.
- **Foster creative expression.** Activities include providing creative art materials and play equipment, using constructive toys, and experiencing the fine arts through the use of community resources.
- **Encourage physical development.** Large muscle development includes group activities, sports, using playground equipment, and offering classes at Y facilities. Small muscle development is enhanced through the use of puzzles, beads, creative art opportunities, finger play games, and more.

Schedule

The YMCA School Age Program schedule varies by the age and ability of your child, and may include:

- **Large Group Activities:** Children are encouraged to interact in large group motor activities, to develop skills such as taking turns, team building, balance and coordination, body awareness, and attention and alertness.

- **Small Group Activities:** Children are assisted in developing fine motor skills. Activities include arts and crafts, homework assistance, board games, and more.
- **Literacy/Academic Time:** Children are exposed to age-appropriate literature, are encouraged to use their imagination, to build vocabulary, and to develop listening skills. Children are provided with activities that stimulate learning, as well as time to work on homework.
- **Meal/Snack Time:** Children are encouraged to learn group cooperation, language development, personal discipline, positive social interaction, healthy nutrition, and to try a variety of foods.
- **Social Skills Development:** The Y's core values of caring, honesty, respect, and responsibility are reinforced in all activities and built into all lesson plans. Children will also be encouraged to practice personal hygiene and participate in the care of their environment.

Parent Involvement

- Parents are encouraged to be involved in their child's activities by visiting the program or volunteering.

Discipline

Our goal is to guide children in becoming happy, responsible, and cooperative participants through positive teaching techniques. In the event that behavior requires discipline:

- Teacher actions will not harm the child's self-image or embarrass the child, rather reinforce a positive self-image.
- Teachers' actions will help children learn self-control, make good choices, identify and express their feelings with words and creative expression, and develop an understanding and respect for one another's feelings as well as their own.
- Teachers will communicate regularly with families regarding behavioral concerns and highlights. Written documentation is shared on a Character Development Assistance form.
- Every effort will be made by staff to enlist the cooperation of the child along with parents to solve problems as a team.
- Additional information can be found in the YMCA Child Care Policy Handbook which is available at the program center/site.

ADMISSION/ENROLLMENT

The YMCA provides safe, quality care for children at various sites throughout the Stevens Point/Plover Area.

- Any child age 5 to 12 years is welcome to participate in the program.
- The Stevens Point Area YMCA programs do not discriminate by race, color, sex, national origin, creed, or special needs.
- All required forms as listed below must be on file by the child's first day of attendance.
- The program is licensed by the state of Wisconsin under the group child care regulations.
- Our hours of operation are 6:30-8:25AM and 3:25-5:30PM. Care on select days off is available with an additional fee.

School Age Program Required Forms

- All registration information is available online or at the Stevens Point Area YMCA Child Development Office. Parents can revise information in writing with the Child Development Office at the YMCA throughout the school year as necessary.
- All forms must be completed and submitted a minimum of five working days prior to the requested start date.
- Updating all information, including additional immunizations, changes in address, telephone number, or family situation is the responsibility of the parent.
- Staff will not become involved in custody disputes. A copy of the most current-certified-court order must be submitted at the time of enrollment and/or if a change occurs in the structure of the family.
- It is the Before & After School Care policy to try to accommodate as many families as possible. However, due to enrollment capacity regulations, we are capable of serving a limited amount of children during any given AM or PM session.
- Additional forms may be required, including Authorization to Administer Medication or Alternate Release/Arrival Plan to come or leave the program from school or other activities.
- Our objective is to make sure that anyone can enjoy the Y. No one will be denied the benefits of the Y due to their financial situation. Financial assistance is made possible through contributions to our Annual Campaign and support from United Way.

DAILY SCHEDULE AND NEEDS

The following procedures have been developed to ensure effective operation at each of our sites with your child's safety as our main concern.

Before Care

- Sign your child in each day on the roster provided by the center/program.
- Children must be accompanied by an adult to the program and signed in on the attendance sheet.
- Inform the site staff of any special needs for the day.
- Children may not arrive prior to the scheduled starting time and Y staff must be present to accept the child.

Snacks/Meals

- Afternoon snack will be served with a weekly menu available for review. The nutritional value of our snacks is in accordance with state guidelines.

- Please be sure your child has appropriate clothes for indoor and outdoor play. Labeled coats, snow pants, boots, hat, and mittens are required for outdoor winter play. Tennis shoes are required for indoor play.

Lost and Found/Electronics

- The YMCA is not responsible for lost, stolen, or damaged items.
- Please do not send electronic equipment or cell phones.

Injury/Medical Emergency

- If your child is injured at the site, the staff will take whatever steps are necessary to obtain emergency medical care. These include, but are not limited to the following:
 - Attempts to contact parent or guardian directly/immediately.
 - Attempts to contact parent or guardian through emergency contact listed on enrollment forms.
- If we cannot contact you, we will do one or both of the following:
 - Call an ambulance or paramedic.
 - Have the child taken to an emergency hospital.
 - In the event of a serious life threatening incident, 911 will be called first.
- A written accident/incident report will be completed and filed at the center.
- For all minor injuries parents will be notified of the accident upon end of day pick-up or the next day in attendance if not contacted earlier.

After Care

- Only authorized persons may sign a child out of the program. Please provide a list of authorized people on the Child Enrollment form. This list will be kept on file at the site.
- No child will be released to the care of anyone under 16 years of age.
- Anyone unfamiliar to the staff will be asked for photo identification. For your child's protection there are no exceptions to this policy.
- Please sign your child out each day on the roster provided by the center/program.

Emergency Evacuation

- Plans for emergency evacuation are specific to each center/site. The plans specify the location to report to in case of a tornado and the exit to use in case of a fire.
- Fire/tornado drills are practiced monthly as required by State of Wisconsin licensing rules.
- If the Y Program receives information regarding a threatening situation from Y authorities, School Administration or other credible source, the Site staff will evacuate the premises based on the situation. Children will be safely escorted from the building, with a copy of the child's file and a first aid kit.
- If the need arises, the children will be transported to safety as soon as possible.
- Parents will be notified as soon as possible with the location of their child. Please note that there are many children in each program and it will take time to contact each parent. A sign will also be placed on the door to notify parents of emergency information. Once the Y staff has been given notice to return to the building, parents will be contacted again.

If all attempts to contact another authorized person have been exhausted, staff will contact the police and/or social services for assistance.
