PRESCHOOL SWIM LESSONS AGES 3-5 YEARS

Preschool swim lessons allow for children to progress at their own rate. Each level incorporates stroke development, endurance, and personal safety. Successful completion of previous level is required for registration into next level. Lessons are once a week for 35 minutes. **Class Max: 4**

PRESCHOOL STAGE 1: WATER ACCLIMATION

New swimmers are introduced to the pool. Participants are introduced to floating, kicking, blowing bubbles, and pool safety with an instructor's assistance. This level also introduces underwater exploration and introduces basic self-rescue skills performed with assistance.
