Older adults, individuals 55 and above, are a significant and growing segment of our communities. AOA participants benefit from engaging in YMCA activities that enhance connections, decrease a sense of isolation, and improve overall well-being.

SPDY is a non-profit, age group swim team that operates under the YMCA of the USA Swimming Organization through the sponsorship of the Stevens Point YMCA. Our core values serve to unite our members with a common cause, a shared belief and common principles to guide our behavior, interactions with each other and decision making. Everyone swims for a different reason, and no matter what that reason is, each swimmer is a valuable asset to our team. We believe everyone has something to offer, and has the ability to develop as an individual. We also know that we, as a team, are only as successful as the sum of our parts. Our swimmers and their families make us what we are. If you are seeking a new challenge, looking to get back into the water or wanting to try a new sport we invite you to join us.

Swimming on our team encourages growth, healthy body, healthy mind, and healthy friendships! We hope you will join us!
