## Camp Map

## PARTICIPATION

- Ages 7 to 14 years are welcome.
- The Stevens Point Area YMCA will not discriminate by race, color, sex, origin, gender identity, sexual orientation, or creed.
- To ensure that each child's individual needs are met within the scope of our program, all children who register for Summer Camp do so with the understanding that throughout their session each child will be assessed to determine if they can successfully function within the parameters of our program.
- If this assessment questions the likelihood that the child's individual needs can be met in our program, a conference will be set with parent/guardian to further assess the situation.
- Every effort will be made to provide "reasonable accommodations" for each child as long as the child's participation in the program does not require one-on-one staff time that would not allow for the safety and quality care of the other children in the group. At any time thereafter, if the staff have reason to question the compatibility of a child's continued participation in our program, a conference will be set with the parent/guardian to further assess the situation.
- Campers are encouraged to participate in all camp activities. If your child cannot participate for medical reasons, a note from a doctor is required.
- All campers are required to be in the beach area during Swim Time. If your child does not have their swimsuit with them, they will be asked to play on the beach, and will not be allowed to enter the water.

## ENROLLMENT

- The entire registration form, health form, and immunization record must be completed when registering.
- Updating all information, including additional immunizations, changes in address, telephone numbers, authorized pickups or family situation is the responsibility of the parent/caregiver.
- Enrollment is on a first come, first served basis.

## CAMPER'S RIGHTS

- Campers have the right to express their thoughts, feelings and desires.

- Campers have the right to their privacy.
- Campers have the right to have their work and possessions respected by others.

## TERMINATION

- Parent Termination: A four week notice in writing is required if a parent decides to withdraw their child from the program. The YMCA will return all but the deposit. After four weeks, refunds will not be available and parents will be held responsible for payment.

- Mutual Termination: When parents and staff agree that placement of a child into the program has been inappropriate and is not in the child's best interest, the child may be withdrawn with loss of deposit.
- Camp Termination: A parent may be asked to withdraw their child when:
